Rigby Wireworks is a family run wire stockholder and has been established in the Sheffield area for over 35 years. We are South Yorkshire's number one independent stockist of Gabion Baskets and Welded Wire Mesh in rolls and panels. We deliver Nationwide.

RIGBY GABION BASKETS

A **gabion** is a wire cage or box filled with stone, pebbles, sometimes sand or soil for use in civil engineering, road building, erosion protection, and landscaping.

We offer standard or bespoke baskets. All Baskets are available in 3.00 mm thick wire overall, 3.00 mm thick wire with 4.00 mm wire front face panel and 4.00 mm thick wire overall.

The most popular sizes of Gabion Baskets are:

1/2m (Long)	x	1/2m (Wide)	x	1/2m (High)
1m (Long)	x	1/2m (Wide)	x	1/2m (High)
1m (Long)	x	1m (Wide)	x	1/2m (High)
1m (Long)	x	1m (Wide)	x	1m (High)
2m (Long)	x	1m (Wide)	x	1/2m (High)
2m (Long)	x	1m (Wide)	x	1m (High)

All **gabions** are delivered flat packed, with helicoils, joining pins and lacing wire.

If the above is of interest, please phone our Helpdesk on **0114 242 5850**.
